

## Dykes of Gray

4 & 5 bedroom homes

Springfield  
.co.uk

Dykes of Gray

**House builder of the year**

# GREAT LOCATION BEAUTIFUL HOMES

Life in a brand new village with all the convenience of Dundee city centre right on your doorstep. Find out more about Springfield's collection of luxury 4 and 5 bedroom family homes.

# Get moving ➤

With our assisted move service

At Springfield we will do everything we can to help you move with the absolute minimum of stress or worry. Our team are experts on Assisted Move and we are with you helping you every step of the way, taking care of the detail and ensuring that you and your family's interests are the priority. We can assist you with the marketing of your current home and pay the marketing fees.

## Here's how it works:

1. Talk to our friendly Development Consultant at your chosen development.
2. We will arrange two independent valuations and agree a price at which to market your home.
3. You can choose which agent will market your property.
4. We will arrange to have a Home Report carried out on your current home and organise the marketing through your preferred nominated estate agent.
5. Your preferred new Springfield home will be held for four weeks once marketing of your current home has commenced, with a weekly review thereafter.

## TRANSPORT

Dundee has excellent transport links and Dykes of Gray is well placed to take full advantage of these. The A90, which connects the city to Perth, Glasgow and Edinburgh to the south and Aberdeen and the highlands to the north, is just minutes from the village. The city has its own main line railway station allowing rail passengers access to the full UK rail network as well as a small airport with direct flights to and from London City & Belfast City airports. The Village now benefits from it's own bus service which can be boarded from the village core, providing convenient access to the city centre.

## SPORT AND FITNESS

For indoor fitness enthusiasts, there are many local facilities including a leisure club in the Landmark Hotel just a few minutes away. For the outdoor types, Dundee and the surrounding area offers every kind of sports facility including, tennis, golf, cycling, walking, rambling, hill walking, athletics, football, rugby, angling, bowling, swimming... the list goes on. There are many ways to keep your waistline where you want it to be, and they are all available within easy reach of your new home in Dykes of Gray.

## EDUCATION

There are many quality schools in the local area for both primary and secondary aged children, and an impressive range of colleges and universities including The University of Dundee, recognised as a global centre of excellence.

## SHOPPING, DINING AND RECREATION

All the essentials for everyday life are readily available and, as you would expect from one of Scotland's major population centres, Dundee offers a wide choice of specialist retailers. All the major supermarkets are there competing for your custom as are all the best known and most respected high street retail names. In addition, there are lots of high quality independent stores to enrich your shopping experience.

The big name fast food outlets are all here but they have to be on their toes to compete with the locally owned fast food specialists. You have a real choice in fine dining with several very good restaurants, not to mention hotels, scoring highly for cuisine and service.

Spectator sports of all types are well established here, and you have an abundance of choice. And, if you haven't been recently, a visit to the V&A Dundee is a must for the whole family. Opened in 2018 the V&A Dundee is Scotland's first design museum and the only Victoria & Albert Museum outside London.

## THE VILLAGE

Dykes of Gray is a fantastic example of thoughtful planning and clever design. The high-quality homes are finished to an exacting standard, both internally and externally, and meet a wide range of customer needs. However, it is the truly holistic and integrated approach taken at Dykes of Gray that sets it apart. At the heart of the community there are a number of public art sculptures centred on an amphitheatre, a village green featuring bespoke oak benches and, throughout the development, you'll find even more open green space including three play parks and a kick-about pitch.

**Springfield Properties** is a name associated with excellence. Excellence in choice of locations, excellence in design standards and energy savings, excellence in craftsmanship and quality of materials and excellence in after sales attention and service. For thirty years families have been moving into beautiful new Springfield homes. For some their first home, for others a larger property for a growing family. They all find that Springfield is a developer where complete customer satisfaction is the objective. Every time. Springfield is now recognised as the first UK house builder to complete the sustainability benchmark initiative.

## QUALITY SERVICE AND AFTER SALES

We have always been committed to building the most energy efficient homes we can which has never been more important. For example every Springfield home is designed around a sustainable timber frame assembled in our own local kit factory. Our own team of kit designers and production experts keep waist materials to a minimum.

We'll take care of you well after your move in date. With every Springfield property we offer an after sales service for the first two years.

# DEVELOPMENT PLANS

Dykes of Gray is a vibrant village and an excellent investment in your family's future. As you can see from the site plan, our latest phase offers a mixture of desirable 4 & 5 bedroom homes backing on to a large area of open green space which feeds into the wider village community.

Springfield Properties reserve the right to amend or vary the layout or specification without prior notice. Please contact our Development Consultant for further details. Computer generated images are shot from an imaginary viewpoint within an open space and are for reference only. The illustration shown is a typical Springfield home of this type, but there are however variances from site to site. External finishes and landscaping may vary throughout the development. Properties may also be built handed (mirror image). Please ask a Development Consultant for further details. Floor plans show the typical layout of this house type. For exact dimensions and floor plan differences consult a Development Consultant. All dimensions are approximate and are not shown to scale.
